Donation Sheet

The Eastern Shore Family Resource Association is a Non Profit Community organization. We offer Parent/Child Interactive Programs, Parent Workshops, and three Family Support Home Visiting Programs at no charge to **ALL** Families on the Eastern Shore.

We receive funding from the NS Department of Community Services (DCS), Nova Scotia Health Authority as well as other small project funds. This current level of support varies from year to year and is often dependent on matching donations from Community sources.

So, in order to continue our work and provide high quality, accessible, and sustainable programming for children, youth and families on the Eastern Shore.....**we need your help!**

If you would like to make a donation to our operating fund, or contribute in some other way like volunteering your time or providing some other "goods or services" for our Programs.....**please talk to our Director or Members of Staff.**

Thank-you for supporting ESFRA!

Please tear here and include with your donation
